

WASTE MANAGEMENT POLICY

Introduction

At Hotel I Dammusi in Borgo Cala Creta, we recognize the importance of responsible waste management to preserve our environment. This policy outlines our commitment to reducing waste, promoting recycling and ensuring the correct disposal of waste materials.

Scope

This policy applies to all of our operations, including employees, contractors and partners.

Our Commitment

1. **Waste Reduction:** We are committed to reducing the amount of waste generated by our operations and activities. We aim to achieve this through:
 - Minimize the use of materials where possible.
 - Encourage the use of reusable and recyclable materials.
 - Implement efficient working practices to reduce waste.

2. **Recycling and Reuse:** We prioritize the recycling and reuse of materials. Our practices include:
 - Provide accessible recycling facilities for paper, plastic, metal and other recyclable materials.
 - Encourage employees to participate in recycling initiatives.
 - Explore opportunities to reuse materials within our operations.

3. **Correct Disposal:** For waste that cannot be reduced, reused or recycled, we ensure correct and responsible disposal. This includes:
 - Comply with all local and national waste disposal regulations.
 - Use environmentally responsible waste disposal methods.
 - Partner with certified waste management providers.

4. **Awareness and Training:** We are dedicated to raising awareness and providing training to our employees on effective waste management practices. This includes:
 - Regular training sessions on waste reduction, recycling and disposal.
 - Provide information on the environmental impact of waste.
 - Encourage employee suggestions and participation in waste management initiatives.

5. Continuous Improvement: We are committed to continually improving our waste management practices. This includes:
- Regularly review and update our waste management policy and procedures.
 - Monitor and report on our waste management performance.
 - Research new methods and technologies for more efficient waste management.
 -

Compliance

- All employees must comply with this policy, as well as local and national waste management laws and regulations.
- Violations of this policy may result in disciplinary action.

Review and Update

This policy will be reviewed annually and updated as necessary to ensure its effectiveness and relevance to our business operations and environmental objectives.
